

15TH ANNUAL

TAMARISK COALITION CONFERENCE 2017

FEBRUARY 7-9, 2017

HILTON, FORT COLLINS, CO

Keynote Speaker

Clint Evans

State Conservationist

USDA Natural Resources Conservation Service

Clint graduated from Kansas State University with a Bachelor's of Science degree in Agriculture. He started his career with the USDA-NRCS as a Soil Conservation Technician in SE KS. Clint has worked 16 years for the USDA-NRCS and has served at all levels of management within field offices and state offices in Kansas, Idaho and Colorado. He has worked as a District Conservationist, State level conservation program specialist, Assistant State Conservationist for Programs and Assistant State Conservationist for Operations in Kansas and Idaho.

In addition he has served in detail capacities as the acting Assistant State Conservationist for Programs in Ohio, as the acting National Wetlands Reserve Program Specialist and in the National Easement Programs Division – as the Easement Assessment and Remediation Team Coordinator in Wyoming. Clint is currently serving as the State Conservationist in CO.
